

MPE Tutors Terms and Conditions

In the following "*lesson*" refers to an hour of our service.

We do not expect you to pay for a lesson before it has taken place. However, payment for a previous lesson is expected before a subsequent lesson.

If you are not happy with your first lesson, then we will not take payment for it. However, if you have your first lesson and decide to proceed with subsequent lessons anytime thereafter then you are expected to pay for the first lesson.

Although we are confident that you will benefit from our help it is important to know that taking on our services does not guarantee that you will achieve the result that you sought out to achieve.

By proceeding with the services of MPE Tutors it is understood that you have read and agreed to our terms and conditions.

We hope these Guidelines help to clarify how private tuition operates with MPE Tutors.

If you have any further queries or comments please contact us by phone or e-mail so that you are provided with the highest possible level of service.
